Dear Dr. Stockdale Winder,

The CCPPP is very concerned about the funding situation involving the Psychology Residency Program. We have sent letters of support to the Saskatoon Health Region Senior Executive and to the Regional Health Authority Saskatoon Health Region.

I am enclosing copies of these letters for your information. It is the hope of the CCPPP that the funding uncertainty will be resolved very soon in favour of your program.

Please do not hesitate to contact me if you have questions or comments. Thank you.

Sincerely,

Josephine Tan, PhD., C.Psych.
CCPPP President
